## **AWSS ROM-P Program**

Sires and Dams applying for this award may achieve points through their offspring by earning the titles/designations listed below.

**Sires:**

Sires must accumulate 200 points.

**Dams:**

Dams must accumulate 100 pts.

Conformation points, while valued and appreciated, shall only make up a maximum of 25% of the total points.

For Sires and Dams with 100% of their points coming from conformation, please refer to the ASSA ROM program.

To be eligible for this award, sires must have at least 8 different ROM-P pointed, first generation progeny and dams must have at least 4 different ROM-P pointed first generation progeny.

Deceased sires and dams are eligible for this award for 15 years following their death.

**Generational impact:**

Sires and Dames earn:

100% of the points from each category for all first generation (kids)

50% for second generation (grandkids)

25% for third generation (great grandkids)

**Points awarded as follows:**

Only highest achievement in each venue applies.

Points for titles in different venues at the same level can be added together.

A maximum of 4 points can be earned from the 2 point titles

*Examples:*

A dog with a NA and a NAJ gets 5 points for his/her sire and dam

A dog with a NA and a OAJ gets 7 points for his/her sire and dam

A dog with a CD and a NA gets 10 points for his/her sire and dam

A dog with an OTCh and a HC gets 40 points for his/her sire and dam

A dog with an OTCh and a G-OCH gets 20 points for his/her sire and dam
